**RE: DMMA Proposed Estate Recovery and Managed Care Regulation [15 DE Reg. 1412 (April 1, 2012)]**

Dear Ms. Summers:

The Governor's Advisory Council for Exceptional Citizens (GACEC) has reviewed the Division of Medicaid and Medical Assistance proposal to add a clause to the Medicaid State Plan. Council understands that the DMMA is incorporating the authorization to seek estate recovery of Managed Care Organization (MCO) capitation payments in the State Plan. The GACEC **endorses** the proposed regulation which is required to conform to the CMS standards amendment.

Thank you for your time and consideration of our position. Please feel free to contact me or Wendy Strauss at the GACEC office should you have any questions or concerns.

Sincerely,

Terri A. Hancharick  
Chairperson
