MEMORANDUM

TO: The Honorable Members of the Delaware General Assembly

FROM: Terri Hancharick, Chairperson
GACEC

RE: **House Bill No. 337 with House Amendment No. 1 (Public School Enrollment Choice Program)**

The Governor's Advisory Council for Exceptional Citizens (GACEC) has reviewed House Bill No. 337 which will create uniformity in school choice enrollment deadlines for local school districts, charter schools, magnet schools and career and technical education schools. House Amendment No. 1 clarifies the process for filling availability and makes technical changes to show the stricken current Code language. This legislation will give parents the ability to weigh all options in deciding which school their child will attend. Council **endorses** the proposed legislation.
