### MEMORANDUM

**DATE:** February 26, 2020

**TO:** The Honorable Members of the Delaware General Assembly

**FROM:** Ann C. Fisher, Chairperson  
GACEC

**RE:** House Bill No. 263 Out of Pocket Insulin Cost Cap & Formulary Inclusion

The Governor's Advisory Council for Exceptional Citizens (GACEC) has reviewed **House Bill No. 263** which will limit the amount an individual has to pay for prescription insulin drugs to no more than \$100.00 per month regardless of the amount or kind of insulin that is required by the insured individual. The amendments would also require that insurance plans include at least one formulation of insulin on the lowest tier of the drug formulary maintained by the carrier. Council **endorses** the proposed legislation.

Thank you for your time and consideration of our endorsement. Please feel free to contact me or Wendy Strauss at the GACEC office should you have any questions.
