RE: 28 DE Reg. 214 Delaware Division of Professional Regulations/Board of Examiners of Psychologists Regulation (September 1, 2024)

Dear Mr. Clack:

The Governor's Advisory Council for Exceptional Citizens (GACEC) has reviewed the proposed Delaware Department of Professional Regulation amendment to 24 Del Admin. Code 3500 Board of Examiners of Psychologists Reg. 214. Council **supports** the proposed amendment; however we would like to share one observation with you.

The proposed regulation amends the continuing education requirements for pro-rated licensure periods to include continuing education credits in cultural inclusion, equity, and diversity. Council appreciates the new requirements; however, we would suggest specifically adding 'disability' to the continuing education requirements as disability is not mentioned.

Thank you for this opportunity to share our appreciation of the inclusion of cultural inclusion, equity and diversity and our observation on the need for the inclusion of disability specifically. Please contact Pam Weir or me at the GACEC office if you have any questions.

Sincerely,

Ann C Fisher
