**RE:** Request for Inclusion in Task Force or Commission Resulting from the Passage of Senate Joint Resolution (SJR) 6

Dear Senator Pinkney, Representative Griffith and Esteemed Co-Sponsors:

I hope this message finds you well. I am writing on behalf of the Governor's Advisory Council for Exceptional Citizens (GACEC) to express our interest in being included in any task force or commission that may be established by the passage of SJR 6.

As advocates for persons with disabilities and exceptionalities in Delaware, we believe our involvement would contribute valuable insight and support to the goals outlined in SJR6. We are keen to collaborate and provide expertise in this area due to the impact that health care for pregnant individuals and children may have on physical, mental and emotional development.

We respectfully ask that a member of the GACEC be considered for a seat on any task force or commission that is formed as a result of this important legislative effort. We are eager to support and contribute to the success of the initiatives that SJR6 seeks to advance.

Thank you for your attention to and consideration of our request. We look forward to the opportunity to collaborate on this initiative and are happy to discuss further how we can best contribute to any future proposed legislation impacting individuals with disabilities. Please feel free to contact me or Pam Weir at the GACEC office should you have any questions on our comments and requests.
